# SOME WORDS FROM THE OC

Dear friends and GFL family,

Welcome to newsletter number 2!

We are absolutely overwhelmed by your response to our call to GFL 2026 in Kreischberg!

**More than 1,200** of you signed up to join the fun, with registrations opening just one week after Hemsedal...

You are crazy! **And that's why we love you <3**

It breaks our hearts that we cannot welcome all of you in Kreischberg, but we tried our best and ramped up the capacity from 750 participants to 900, to give as many of you a chance as possible! We also put a lot of work into the calculations to make it as fair as possible.

In this newsletter, we want to present what **PreGFL in Karlsruhe** holds in store for you and how you can sign up for it. Be quick once sign-up starts – this time it will be first come, first served! We hope to see a lot of you in beautiful Karlsruhe!

## Scavenger Hunt: GFL Edition

A city-wide, team-based battle of wits powered by your smart-phone. Expect the unexpected: sabotage, betrayal, and glory await. Trust no one.

## Train Safari through the Palace Gardens

Board our train for a rolling tour of games, surprises and hydration stations - all of which are hidden throughout Karlsruhe's scenic Schlosspark.

## Crash in style at Motel One

One of the newest hotels in the centre of Karlsruhe. Want your own space to snore in peace? Single occupancy is available for just €70 extra.

## The PreGFL Nightclub Takeover

We've booked the whole place. DJ? Check. Dance floor? Check. Lenny's "special" moves? Oh yes - brace yourselves.

## Buffet & Brews at Badisch Brauhaus

Feast like a champ and drink like a local at our favorite pub, where the beer is brewed right on site. Prost to that!
